TEACHING

DISCIPLINARY TEAM

- Management / HR / Strategy

TEACHING LEVELS

- L and M Level

TEACHING LANGUAGES

- English
- French

SCIENTIFIC ACTIVITIES

RESEARCH FOCUS

- Entrepreneurship and Innovation

RESEARCH INTERESTS

- : Knowledge creation
- : Creativity
- : New product development
- : Sustainable development
- : Sustainability
- : Innovation
- : Managerial innovation
- : Social innovation
- : Artificial intelligence
- Research methodology (Approche qualitative): .
- Research methodology (Approche quantitative): .
- Strategy - Management - Entrepreneurship (Innovation): .
- Strategy - Management - Entrepreneurship (Management des organisations): .
- Strategy - Management - Entrepreneurship (Management stratégique): .

PARTICIPATION TO THE ACTIVITIES OF ACADEMIC JOURNALS

Reviewing of articles

- 2023 - ... Reviewer Applied Economics
- 2024 - ... Reviewer International small business journal
- 2024 - ... Reviewer Social Networks

PARTICIPATION TO THE ACTIVITIES OF ACADEMIC ASSOCIATIONS OR NETWORK

Affiliation to international or national associations

- 2018 - ... Member of the association AIMS (Association Internationale de Management Stratégique)

Coordination or participation of a conference organisation

- 2023 Member of the organization and sessions chair XXXIle Conférence de l'AIMS
- 2021 - 2022 Member of the Scientific and Organizing Committees XXXle Conférence de l'AIMS

OTHER

- 2020 - ... Reviewer AIMS (Association Internationale de Management Stratégique)
- 2020 - ... Reviewer EURAM
- 2023 - ... Reviewer DRUID
- 2015 - 2017 Participation in the organization of professional conferences Progiciels
- 2015 - 2017 Participation in the organization of professional conferences SoftShake
